F.G.A. Groups Plan Brazeau Clean - Up

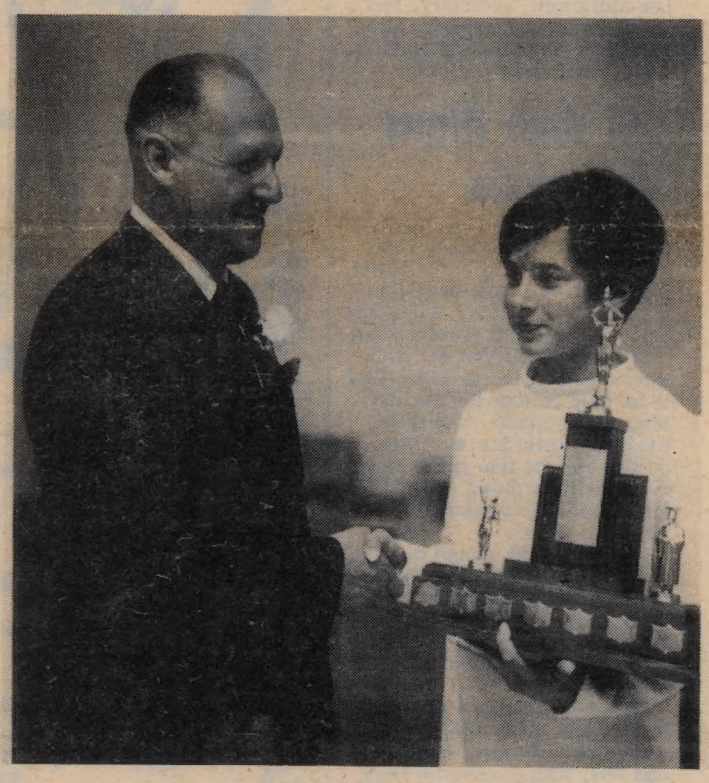
What may well turn out to be the biggest inter-club project in this area is planned for the Brazeau Dam on the weekend of June 21st and 22nd, when five Fish and Game Associations combine, in co-operation with the Forestry Department, in an effort to instigate an organized clean - up of the dam site.

Taking part in the venture will be the Edmonton, Leduc, Edson, Communications (A.G.T.) and Pembina Oilfield (Drayton Valley) Fish and Game Associations.

The purpose of the project - - in accordance with the conservation aims of the Associations-- is to show that the Brazeau Dam site could become a great recreational area for safe and enjoyable boating and fishing if the flood area was properly cleaned up.

There is plenty of room for tenting and trailers out there and a large weiner roast is planned for the Saturday evening after work to enable the members of the various associations to become better acquainted.

George Hart, President of the Pembina Oilfield Fish & Game Association has issued a call to all members of the local association to get out and support the venture and indicates that axes, saws, shovels and OLD clothing should be taken and also adds that nobody is likely to receive a dirty look for the foresight of taking along a fishing rod.



Mr. T. A. Tetreau, Principal of St. Anthony's School, is shown extending congratulations to Donna Hook who received the Father Lynch Trophy for Outstanding Student of the Year. The presentation was made at the Awards Night at St. Anthony's School last Wednesday evening.

Kindergarten Association Elects New Officers

The second general meeting of the Drayton Valley Community Kindergarten was held in the gymnasium of the Frank Maddock High School on May 21st, 1969.

President, Mrs. Marilyn Boles called the meeting to order. Minutes and correspondence was read by secretary Mrs. Elaine Home. Treasurers report was given by Mrs. Pat Lewis. The books will be audited by one of the local bank managers. A copy of the auditors report will be sent out with the newsletter in August.

A resignation from Mrs. Juliana Wilner was accepted with regret. Mrs. Wilner taught Kindergarten in Drayton Valley for seven years. President, Mrs. Boles presented Mrs. Wilner with a gift in appreciation of seven years of hard work and complete devotion to the Kindergarten children.

There are 75 children registered for the 1969-70 term.

"Open House" will be held on May 29, for all parents of children attending Kindergarten and those who have registered their children for the coming school term. Parents will see a display of the children's work, observe a class in action and will see the children receive their diplomas.

A nominating committee headed by Mrs. Lindburg and Mrs. Home presented the following slate of officers for the 1969-70 term as there were no nominations received from the floor it was moved and carried that this slate be installed by acclamation. President, Mrs. Nancy Jacobs; Vice-President, Mrs. Lou McDowell; Secretary, Mrs. Maga Telford; Treasurer, Mrs. Fran Henderson; Board Members, Mrs. Lillian Doig, Mrs. Rita Kenworthy, Mrs. Doris Tyerman, and Mrs. Lorraine Toews.

A report of the year's activities was given by the President, Mrs. Boles. The old executive and the teachers were thanked for helping to make the year a success.

Vice-President, Mrs. Woods introduced the guest speaker Dr. J.K. Bishop, Associate Professor of Education Psychology, University of Alberta (Edmonton). His topic was "Child Development". He discussed the critical features and experiences of a child's early life. Mrs. Woods thanked Dr. Bishop and coffee was served.

4-H Club Plans Slave Sale

On June 3rd, the last meeting for this year of the Moon Lake Beef Club was held in the Moon Lake Hall. Roll call was "Where My Calf Will Place". All members and pee-wees were present.

It was decided that the pee-wees take part in our Slave Sale to be held on June 28th at the Moon Lake picnic. The time has been set for 2 p.m. Also, on this day the five pee-wee's calves will be shown and judged. Ribbons will be presented to the winners.

Reports for the month of June were given by George Cherrington on "Preparing My Calf For Show" and Ricky Kidner reporting on "Showmanship", both were very informative and interesting.

The 4-H crests and ties were handed out. After the meeting was adjourned, Mrs. Woloszyn and Mrs. Kidner served a tasty lunch.

WABAMUN

The sympathy of the district goes out to Mr. and Mrs. W. Wichuck in the loss of the former's father of Edmonton, who was 81 years of age. He leaves his loving wife and his son William of Wabamun to mourn his loss.

Mr. and Mrs. L. Burke of Rimbey, Alberta visited with the latter's parents, Mr. and Mrs. R.T. Ward on Wednesday, June 4th and picked up their son Johnny who has been spending a couple of weeks with his grandparents.

Mr. and Mrs. G. Simmonds and family have gone to Toronto, Ontario for a short time and then they are going on to Nepal. We wish them well.

Mr. and Mrs. T. McDonald have moved into Mr. Fischer's house, and Mr. and Mrs. R. Lindsay have bought the Wiens home and have moved into it.

Mrs. Elma Radcliffe is in an Edmonton hospital and is recovering after a major operation. Chin up Elma, we are looking forward to seeing you home soon.

The U.C.L. had a very successful tea and bake sale on Wednesday, June 4th. They had a great display of baking, so one just could not go by without buying something.

EVANSBURG NEWS

Warm weather and just the right amount of rain has made the crops come in a hurry this year. Before we know it, the farmers will be busy in the hay fields.

A meeting of the Lobstick-Pembina Historical Society took place recently. The next meeting is to take place on June 26th and it is hoped that more people will turn up.

Some of the members of the 4-H Club met at our place to take stock of their float supplies on the 1st. It was decided to order the materials needed to begin building the float, the next regular meeting will take place at our house on the 15th. At this meeting a beef judging demonstration is to take place as well as a showmanship demonstration. A beef quiz will also be given to the members of the club so members of the beef club are advised to study their project book. Since the float materials are now ready, members may come any time to work on the float.

Several of the parents of Cubs gathered at the Pembina River Park on May 31st to see the various packs in action. Although not winning the plaque, the Cubs from the 1st Pembina Pack did quite well for themselves and everyone enjoyed the day of games and eats.

On Sunday, June 1st, the members of the United Church congregation gathered at the Pembina River Park for the annual picnic. There were fewer members than last year, but everyone enjoyed the picnic lunch and games that were played. The members of the Sunday School were presented with their attendance pins and Mrs. Beach took snaps of the children concerned.

The Firemen held their regular monthly meeting on June 4th. After a short business meeting, most of the men went to examine some of the fire hydrants to see that everything is in working order.

Over the years, more than 140,000 Air Cadets have attended the annual summer camps held at RCAF stations spaced across Canada.

Doctors Back Strict Legal Drug Control

Illegal trafficking in marijuana, LSD and other hallucinogenic drugs should continue to be subject to "stringent legal penalties," the Alberta Medical Association declared last week.

The AMA issued a "statement on drug abuse" after an "intensive" study of drugs by its committee on pharmacy.

"The study was precipitated by many requests from the public for guidance and information concerning drug abuse," said Dr. Robert Clark, deputy registrar of the College of Physicians and Surgeons of Alberta.

"It was also the feeling of the AMA board that there should be a uniform position by physicians in Alberta."

The AMA statement declares:

* Accumulated evidence indicated that drugs such as LSD, STP, marijuana, amphetamines and barbiturates produce injurious mental or physical effects or both.
* The degree of toxicity (poison) of each of the drugs is related to the dosage -- but adverse reactions depend, in part, on the unique nature and personality of the user.
* There is definite evidence of the toxicity of marijuana.

"After careful perusal of evidence from the World Health Organization and other authoritative sources, we are of the opinion that long term or chronic use of marijuana produces psychic dependence."

* In the short-term or intermittent user of marijuana, the effects are unpredictable. But documented reactions include depression, panic, flashback, hallucinations and psychotic episodes.
* The use of -- and trafficking in -- these drugs should be subject to legal control.

But, says the statement, "This does not mean that present regulations and legal restrictions could not be improved upon."

The statement did not elaborate.

Summary Regular Meeting Parkland County Council

The following is a summary of a continuation of the last regular meeting of the County of Parkland. Meeting was held in the Council Chamber on Monday, May 26th.

Members present were Reeve Rudolph Zander, Deputy-Reeve Leslie N. Miller, Councillors Robert A. Bailey, Roy Lent, George Mann and Ivan Vowk.

Letter from the Department of Water Resources was read to the Council requesting an early decision regarding the proposed extension to the west of the Golden Spike drainage ditch.

It was agreed that Councillors Miller and Bakker contact the landowners in this connection.

Mr. Shirley Johnson of Calgary Power Ltd. called on the Council regarding conditions of approval of a proposed subdivision in the SW 12-54-28-4 to be used for a radio tower site and also discussed a request made by the Council for cleaning up of a power line right-of-way on the NE 8-53-4-5.

It was agreed that the plan of subdivision be approved as proposed and that anchor wires from the tower be placed a minimum of 50 feet from the road.

Request for approval of proposed pipeline installations across road adjacent to the SW 20, NE 19, NW 30-50-7-5; NE 36-50-8-5 and NE 11-51-8-5 by Pan American Petroleum Corporation of Drayton Valley was approved.

Constable Marshall Walker of Wabamum was present at the meeting regarding operation of the Police Department in Wabamum.

Messrs. John Regamey of Wabamum and Fred Charlesworth of Edmonton called on the Council regarding future construction of roads in Block A, Plan 4956A.R. Wabamum (8.23 Acres). They were advised that construction of roads in this block would not be required unless subdivision takes place.

DEVELOPMENT BY-LAW NO. 5-69

A by-law to provide for the control of Development in the County of Parkland No. 31 in accordance with Development Control Order No. 2 of the Provincial Planning Board received second reading on motion of Councillor Lent, third reading on motion of Councillor Mann and finally passed by unanimous consent of the Councillors present.

Letter dated May 17th, 1969 from Messrs. Adolph Shep and Val Kotch was read to the Council advising that they are resigning as EMO Co-ordinator and Deputy-Co-ordinator, respectively, effective June 30th, 1969.

Mr. Adoph Shep, General Fire Chief was present at the meeting in connection with fire extinguisher requirements of the County and operation of the Tomahawk Fire Department.

APPOINTMENT OF FIRE GUARDIANS

The following were appointed as Honorary Fire Guardians: Mr. Rene L. Belva, Rocky Rapids, and Mr. William Vanderwell, R.R.1, Duffield.

After adjournment the meeting reconvened on Tuesday, May 27th with Reeve Rudolph Zander, Deputy-Reeve Leslie N. Miller, Councillors Roy Lent, George Mann and Ivan Vowk present.

Mrs. L. Norgrove of Stony Plain called on the Council regarding the following matters: Objection against spraying for brush control on roads; Permission to sell 20 or 30 acres in the NE 29-52-1-5; and Request for improvements to the road west of sections 28 and 33-52-1-5.

STOP SIGNS INSTALLATION

A by-law providing for the erection of Stop Signs at the south west corner of 6-53-5-5, north east corner of 36-52-6-5 and the railroad crossing between sections 11 and 12-53-26-4 received first reading on motion of Councillor Lent, second reading on motion of Councillor Mann, third reading on motion of Councillor Vowk and finally passed by unanimous consent of the Councillors present.

A request for financial assistance to maintain a private cemetery from the Brightwood Cemetery Association was tabled until estimates of revenue and expenditure for the year 1969 are established.

Letter dated May 13th, 1969 from Mr. F.E. Magyar, District Engineer was read to the Council requesting whether time certificates for maintenance of Power House and Dam roads are to be cleared through the County Office or submitted for payment by the County foreman. It was agreed that the time certificates be cleared through the office.

RETIREMENT PROPOSAL

Letter dated May 20th, 1969 from the Secretary-Treasurer of the County Employees Association was read to the Council requesting that County employees be retired when they become eligible to receive old age pension.

It was moved by Councillor Vowk that all County employees be retired 30 days after becoming eligible to receive old age pension. The motion carried with Councillor Lent voting against the motion.

YOUR DENTAL HEALTH

Stop and think -- How often do you smile? Or speak? Very often, of course. And every time you do, your teeth become the center of attention -- your teeth are usually one of the first things people notice about you. That is only one of the reasons you need healthy attractive teeth.

What is the correct way to brush the food, debris and germs off your teeth? The main rule is "Brush your teeth the way they grow". Brush with the "grain" of the tooth -- up and down. The tops of the teeth can be brushed in a back and forth motion.

Of course, the length of time you brush is very important. Time yourself next time you brush. You should take at least 3 minutes to do a suitable job. If you take less time than this you are probably leaving cavity causing debris on the teeth.

Try to brush after each time you eat. Especially after you eat soft sticky foods. Also brush just before going to bed.

Toothbrushes should be replaced at least 3 times a year. They become worn out just like floor brushes.

Most toothpastes are about the same. Just make sure you use a toothpaste or powder 3 to 4 times a day. Flouride toothpastes are of benefit. We'll say more about this next week.

Mouth washes may be of immediate benefit to freshen your breath, but, are not a substitute for regular brushing. Your teeth depend on your care to remain in a state of good health.

Enjoy Holiday Trip to Greece

Looking brown and relaxed, Mr. and Mrs. Manuel Kazoleas returned recently from an eight-week holiday trip to Greece.

They left by air from the International Airport at Leduc and landed in Milano, Italy. They spent a few days in Italy before continuing on to Greece.

For Mr. Kazoleas it was a return to his native land after a ten-year absence. It was Mrs. Kazoleas' first trip to the country.

They visited Mr. Kazoleas' parents who live near Sparta in southern Greece and several other relatives. The remainder of their holiday was spent touring the country under constantly sunny skies.

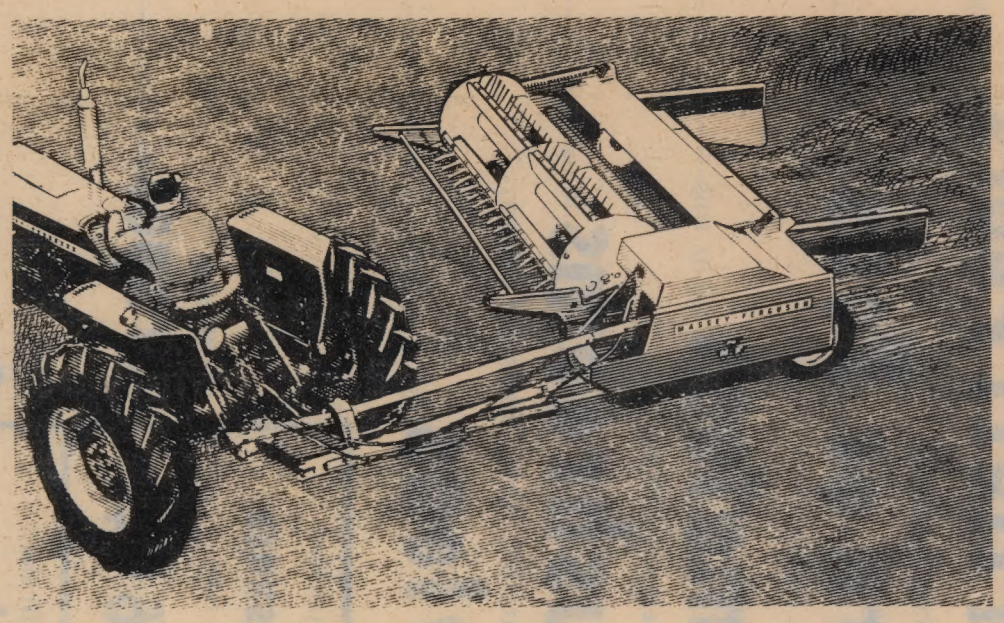
Massey-Ferguson challenges costly haying losses:

New MF 81 Haytender



Here is the best way yet to save time and preserve forage quality

With a big MF 81 Haytender you can cut, condition, and windrow or swath a crop more efficiently than ever. This new MF 81 mows a full 9-foot swath cleanly and smoothly; the heavy flywheel drive and 52,560 knife cuts-per-minute keep the job moving at maximum speed. Heavy-duty pickup reel lifts and combs the forage back over the knife to handle even the heaviest stands and tangled crops.

Pairing of steel and rubber rolls provides uniform full-length conditioning without the leaf loss caused by crimper rolls in competitive machines. Conditioned forage is spread flat, or laid down in loose or tight windrows according to weather conditions and degree of drying desired. The result is improved quality—whether the crop is fine-stemmed alfalfa or a thick-stalked sorghum.

Come in and let us explain the many advantages of handling forage crops with a Massey-Ferguson MF 81 Haytender. We can show how this new equipment will save hay, save quality, save time—and save money.

CLUB PLANS START ON GRASS GREENS

New officers were elected at a recent meeting of the Drayton Valley Golf Club and plans advanced for improvements to the course.

This year's executive is headed by President Bill Rose with Howard Ganske as Vice-President The Secretary is Lorne Huska and Treasurer Bruce Longley. Directors are Dale Gaehring, D. Gurel, J. Balen, F. Neil, J. Heyland, K. Retallack and W. Tuttle.

Plans were introduced for the installation of grass greens this summer on Holes 3, 7 and 9. Work has already started on the project which will eventually see grass greens around the whole course.

ENTWISTLE NEWS

Mr. and Mrs. David Brown and family who left last September for Beriut, Lebanon, returned recently to stay for awhile in Entwistle.

Winners at the May 31st Whist Drive were as follows: Ladies - 1st Mrs. McKenzie; 2nd Tiny Jevne; and Con. Polly Hofmann. Mens - 1st Art Gay. 2nd Gordon McKenzie, and Con. Lawrence Anderson.

The next Whist Drive will be held on June 14th in the Elks Hall at 8:30 p.m.

The recreational activities are well underway with ball games being held for boys 11 to 13, boy boys 13 to 15, and a ladies' ball team. During the summer the playground should be well attended as there will be supervisors to conduct activities with the children. On the rainy days the rec. building will be used. It is hoped that as many children as possible will attend.

Don and Jean Gylander have been away for a few days attending a convention at Banff.

We have learned that Mrs. Anna Gylander is back in the Drayton Valley Hospital again. Also that Mr. Halanyea of Entwistle is in that hospital too. We hope they will both be home soon.

Mr. and Mrs. George Bullock attended Mrs. Bullock's nephew's wedding in Edmonton on May 31st.

BURTONSVILLE NEWS

On Tuesday of last week, Axel and Emma Homme accompanied Gordon and Marie Raymond of Keephills on a trip to Edson where they visited Paul and Ruby Walker and family for a few days. They also visited for a short time with David and Agnes Osborne. It hailed at Edson and froze some garden plants that were covered up.

We were sorry indeed to hear the sad news of little 4 year old Lorn Faulks of Wetaskiwin being killed by a train on Friday. Mrs. Faulks is a niece of Albert Osbak of St. Francis. We extend our sympathy to the parents and family, also to Mrs. Don Friend, of Wetaskiwin, his grandmother.

We are also sorry to hear that Brian Charlet of this area is in the Misericordia Hospital. We hope you are feeling better Brian and will soon be back home.

Phil and Rita Mykaluk had their phone installed last week.

Some folks in the neighborhood have been down with the flu and have been quite ill.

Eldson Greanya has been shearing sheep in the neighborhood.

The short showers of rain have helped to bring the flowers and gardens up nicely, and this hot sun is welcomed.

Summary Regular County Meeting

Cont. from Page 6

A by-law providing for the leasing of the SW 23-50-5-5 to Adolph Piskunowicz of Tomahawk for the year 1969 for the amount of the current taxes received first reading on motion of Councillor Lent, second reading on motion of Councillor Mann, third reading on motion of Councillor Vowk and finally passed by unanimous consent of the Councillors present.

Complaint against decision of the Council to renew development permit for the airport on the NE 36-52-26-4 from Mr. James S. Semper of Winterburn. was read to the Council objecting against the decision of the Council to renew the development permit for the proposed expansion of the airport at Winterburn on the NE 36-52-26-4. It was agreed that Mr. Semper be requested to attend a meeting of the Council for purpose of discussing this matter.

The Town of Stony Plain presented for consideration, a copy of the lease agreement for part of the SE 35-52-1-5 that is not required for nuisance ground purposes at this time. It was agreed that the Reeve and Secretary-Treasurer be authorized to sign this lease.

It was agreed that the sale of PT. SE 21-51-27-4 (1 acre) to Mr. R.G. Bailey of R.R. 5, Edmonton be cancelled for the reason that the previous owner has made arrangements to redeem the same.

BRIDGE INVENTORY

Letter dated May 20th, 1969 from the Bridge Branch of the Department of Highways was read to the Council advising of the condition and proposed repairs to the bridges WNW 27-50-5-5 on Tomahawk Creek and in the SW 28-50-6-5 on Mishow Creek. It was agreed that the proposals of the Bridge Branch respecting these two bridges be accepted and approved.

It was agreed to obtain information concerning membership in the Yellowhead Route Association.

Request for improvements to the road between sections 11 and 12-54-1-5 from Mr. Fred Trueman of Stony Plain was referred to the Public Works Committee for inspection on motion of Councillor Miller.

PURCHASE OF LAND IN DRAYTON VALLEY

It was agreed that four acres of land situated in the Town of Drayton Valley be purchased from the Town for use as a storage yard and future building site provided that the property is serviced with utilities.

It was agreed to employ Mr. E. Mosimann of Duffield as temporary Local Foreman in Division 4.

It was agreed that Mr. Fred Hoge of Violet Grove be authorized to clean approximately 800 feet of ditch along the north side of section 26-48-8-5 with payment of $30 for this work.

A SHOVEL FULL OF TROUBLE!

Hold it right there! One more sweep with that shovel and you could cut clean through an AGT telephone cable! It's easier than you think. You dig post holes or a trench in your back yard, and before you know it the damage is done, you've severed a buried cable . . . severed vital communications to businesses; to hospitals, police and other emergency services.

Right now, before you take one more sweep with the shovel, dial "0" (Zero) and ask for Zenith 07128. An AGT Technician will mark off the exact location of any buried cables and save you and others a great deal of trouble, expense, even involvement in law suits!

Remember, in town or country — a call in time can save the line. AGT's Free Cable Location Service — Dial '0' and ask for Zenith 07128. Toll free of course.

Four Members of Family Lose Lives

A picnic and swim turned into tragedy Saturday when four members of a Pembridge district family were drowned in the Pembina River near Cherhill.

Dead are Richard Perlitz, 51, a district farmer, and three of his nine children: Barry, 15, Mark, 11 and Darlene 14. Five other young children watched in horror as members of their family were swept away.

RCMP said one of the two older Perlitz boys was swimming in the river, when he "got in trouble". His brother went to his assistance and they both started to go under the water. Mr. Perlitz went into the river to help. Darlene also tried to assist, and both were drowned.

The spot is a few miles north of the hamlet of Pembridge, north of Cherhill. RCMP said it is not a supervised camping or swimming grounds.

Mrs. Perlitz was at home at the time of the drownings. The other youngsters present were Gordon, Philip, Wade and Valarie.

All four bodies were recovered and an inquest will not be held. RCMP said the river is about nine to ten feet deep at its deepest location.

Lindale Club Spring Tour

The Lindale Swine Club held its Spring Tour on May 31st. The judge for the day was Mr. P. Wyllie.

The tour began at Horsman's and continued from there in this order: Robb's, J. Martin's, Thyr's, Young's, Bowen's, Van de Castle's, Sweet's, Bijou's, Holmgren's and T. Martin's.

After the tour Mr. Wyllie announced the winners.

The senior winners were: 1st, Lynne Martin; 2nd, Leslie Horsman; 3rd, Dennis Martin; 4th, Shann Bowen; 5th, Randy Robb; and 6th Heather Robb.

The junior winners were: 1st, Elaine Thyr; 2nd, Caroline Young; 3rd, Nancy Bijou; 4th, Reno and Roger Martin; and 5th, Kirk Holmgren.

The members also judged pigs and the results were: Caroline Young, Dennis Martin, Doug Sweet, Kirk Holmgren, Roger Martin, Lynne Martin, Reno Martin, Randy Robb, Shann Bowen, Leslie Horsman and Nancy Bijou.

TOMAHAWK NEWS

Mr. Kenneth Pike from Nigeria and his father, Mr. G. Pike from Palmerston, Ontario, were recent visitors at the home of Mr. and Mrs. Harry Holland of Tomahawk.

Mr. Wilfred Schadeck of Tomahawk, who left on an educational trip around the world last February, is now in the British Honduras. Although it is the rainy season there, he claims the scenery is absolutely fantastic.

Mrs. Gladys Schadeck of Tomahawk and her mother Mrs. Jersch, are taking a trip to B.C. to visit friends and relatives. They plan to continue to Vancouver Island before returning home.

Get well wishes are extended to Emil Schadeck who is in the University Hospital in Edmonton.

Glad to see Rudolph Zander is out of the hospital at Drayton Valley and on a trip to B.C. to recuperate.

Don't forget the White Elephant Sale to be held on June 14th at the Sports Grounds.

On June 2nd, all the local organizations in Tomahawk met to arrange and discuss future rates for weddings and banquets.

Tomahawk folks are very much interested in sports these days. Everyone you meet is either hurrying from a game or to a game. The following are the scores for the past week. Monday, June 2nd, Mites played Seba and won 44 to 4. Tuesday, June 3rd, Married women played Drayton Valley and lost 16-24. Wednesday, June 4th, Little Canadians played Moon Lake and won 24-4. Thursday, June 5th, Tomahawk men played Seba and won 25 - 18. Thursday, June 5th, Bantams played Seba and won 22 - 2.

You can tell a child is growing up when he stops asking where he came from and starts refusing to tell where he's going.

Local Residents Attend Convention

Over 35 members of the local congregation of Jehova's Witnesses travelled to Hinton last weekend to attend the semi-annual circuit assembly.

Mr. Thomas Moss, presiding minister of the local congregation reports that a crowd of 933 persons took in the convention at the Hinton Arena.

One of the highlights of the assembly, said Mr. Moss, was a baptism and ordination ceremony for 19 new members. "We were thrilled to see five persons from our local congregation baptized"

The Hinton convention was just a prelude for many members of the local congregation who will be attending the international assembly in Vancouver next month. Mr. Moss stated that over 40,000 are expected at the Vancouver gathering in Empire Stadium.

CUB NOTES

The Cub and Scout organization regretfully received the resignations this month of Mr. and Mrs. Hugh MacKenzie as Cubmaster and Assistant Cubmaster of Drayton Valley C pack. Mr. MacKenzie also served as Pembina District Cubmaster for the past season.

Drayton Valley has seldom had a couple who have so willingly devoted so much of their time to the youth of the community as have the MacKenzies, not only in the Cub and Scout organization but in many other ways as well. When they leave for their new home in Redwater, later this summer, they will again be involved with Cubs, Scouts and Mr. MacKenzie will take up the position of District Cubmaster in the Redwater area.

Although we, in the Cub and Scout organization, regret to see this couple leave, we send with them our sincere appreciation for the wonderful work they have done, and wish for much happiness in their new home.

CUBOREE MAY 31, 1969

The Cuboree held at the Pembina Park for the Cubs was a tremendous success. We had 250 Cubs participating in this event. Also there were 24 adult - leaders, 30 parents, 17 judges and 14 Scouts. I would like to thank all of these hard working people, who helped make this such a success. Also the ladies who ran the two kitchens to feed the hungry boys. Well done. Here is a list of winners:

PEMBINA PLAQUE: (Total number of points of day events) - Alder Flats 1st, Drayton Valley-C Pack 2nd, and Mayerthorpe 3rd.

SEMAPHORE PLAQUE: (This is the first year for this plaque, which is given to the group with the most correct and fastest message.) - Drayton Valley C Pack, 1st; Drayton Valley B Pack, 2nd; Whitecourt B Pack, 3rd; and Drayton Valley A Pack, 4th.

After all these events Mr. Bruce Boles, President of the group committee for Drayton Valley, presented Mr. Hugh MacKenzie, our Pembina District Cubmaster and Mrs. MacKenzie with bookends and an engraved tray. The MacKenzies have been transferred to Redwater, these people will certainly be missed in this organization.

SCOUTS AND VENTURERS

The Scouts and Venturers had their campout on May 23rd to 25th at Lake Isle. Fourteen Scouts, six Venturers and three Scout Leaders were there for the event. The boys report having a thoroughly good time. Educational and challenging.

The group had its last meeting May 27th, 1969. Commencing in the later part of September.

CUBS - PACK A

These boys were in full force at the Cuboree on May 31st. Some of the ambitious youngsters have earned stars during the 1968-69 term.

Green Star --Terry Horne, Dale Schwab, Greg Cassidy, Dwight Smith, David Zukowski, Harvey Kenworthy, Boyd Harris, Brant Fraser and Ken Cook.

Red Star -- Terry Horne, Donald Armstrong, and David Zukowski.

Black Star -- Terry Horne.

Tawney Star -- Terry Horne.

The boys receiving badges recently were: Tom Reister (1), Greg Woods (1), Terry Horne (1), Dale Schwab (4), Doug Cathrea (3), Greg Cassidy (1), Kim Trapton (1), Brant Fraser (2), Murray Howatt (2), Phillip Trapton (1), Donald Armstrong (2), Collin Meraw (1), Andrew Lewis (1), Mark Balen (3), Daryl Harrison (1), Boyd Harris (3), Greg Westlund (1), James Moody (2).

Congratulations to Norman Ingram on receiving his Religion in Life Badge on the second Sunday of October, 1968.

PACK B

The Cubs of B Pack have been busy getting ready for the Cub Rally so there haven't been too many stars and badges earned this month. Kevin Kelso and Dwayne White earned their Red Star, and Ricky Simpson earned his Green, which makes him a Five Star Cub. Terry Carrothers received his cyclist badge. B Pack have had some Scouts helping the boys get ready for the Rally.

PACK C

This month has been taken up with practice for the rally and outdoor activities, so the boys did not have much time for their Star work. Elton Allen earned his Tawney Star, and Gordon Ceh earned his musicians badge. C pack is fortunate to have another Cub with his Religion in Life Badge, Mel Moltzan completed all the requirements and was presented with his badge at the Lutheran Church. Our pack has plans that will keep us busy until the 23rd of June at which time we will close for the summer months.

At this time, Mr. MacKenzie and his assistants wish to thank all the parents for their co-operation and support shown to C pack during the past season.

Front row, (left to right), Janice Brown, Carmen Pohling, Rhonda Scott, Terri Heater, Kelly Vig, E'bet Kreycik, Lori Shearer. Second row, (left to right), Andrew Hoge, Bobby DesBrisay, Darrell Peterson, Shelly Peters, Darren Schultz, Robert Horne, Scott Graham. Back row, (left to right), Todd Dmytryshyn, Kevin Kemp, Daniel Shantz, Manny Albert, Ricky Boles, Michael Malloy and Mrs. J. Miner.

Forage Crop Shows Promise

The recent introduction to Western Canada of two new forage crops from Russia may assist Canadian cattlemen to obtain higher production from their present range and thereby improve their chances of staying in the business of producing cattle. This is the opinion of S. Smoliak, range ecologist at the federal research station at Lethbridge.

Widely known for his work in range management and improvement Mr. Smoliak said a wild ryegrass known as Altai shows excellent promise so far. Altai has been undergoing tests at the federal research station at Swift Current for the past three or four years and for a shorter period at Lethbridge.

Thus far, according to Mr. Smoliak, Altai has shown itself to be well adapted to our drier range areas and appears to be equal in performance to Russian wild ryegrass, another highly esteemed introduction from the U.S.S.R.

The second Russian variety, Cicer milk vetch, is a legume which also appears to have excellent possibilities. It too has shown itself to be adapted to our drier areas and also to the foothill regions of Alberta. Cicer thrives in areas where timothy is grown and in fact, says Mr. Smoliak, it tends to crowd timothy out.

As a plant it appears to be very hardy and has the advantage of being non-bloating. It is creeping rooted like Rambler alfalfa and is reputed to be long-lived. So far it has not been tested sufficiently to determine how it will stand up under actual grazing conditions but in clipping tests so far it has given about the same dry matter yield as alfalfa and appears to equally as palatable.

The biggest obstacle encountered so far with Cicer milk vetch has been the time it requires to become established. There has been no problem with germination but Cicer seedlings grow very slowly and require at least a year to become established.

In Canada, Mr. Smoliak said, we already have several native milk vetches, two of which are poisonous because they contain the chemical selenium. So far, however, there has been no indication that Cicer milk vetch contains selenium in any appreciable quantity.

The Lethbridge range specialist concedes that there hasn't been enough testing done with Cicer. A number of agronomic factors such as best spacing, its grazing capacity, fertilizer requirements and its slowness at becoming established will have to be checked out.

Any disadvantages displayed so far by either Cicer milk vetch or Altai ryegrass have been relatively minor and Mr. Smoliak believes Canada was fortunate to obtain these two promising species.

"It is only rarely that introduced species such as these prove to be so adaptable to our Canadian conditions," he said.

Lariat Club Holds Gymkhana

The second regular gymkhana of the season for the Lariat Gymkhana Club was held on June 1st at 2:00 p.m. in the Lions West Valley Park. In spite of the half hour downpour, the major events of the gymkhana were held and ribbons were handed out. Our next gymkhana, July 6th.

Moon Lake News

Mrs. Fay Pasko and girls were weekend visitors at her parent's home, Mr. and Mrs. Albert Schenk.

A bridal shower was held in the Moon Lake Hall for Mrs. Diana Ulvestad (nee Diana Bush) on Sunday afternoon. Diana was the recipient of many lovely and useful gifts and thanked everyone competently. Lunch was served by the ladies present to conclude a lovely afternoon.

Miss Donna Cherrington has been hired by the Recreation Board of Parkland County as Playground Supervisor for one of the playgrounds for the summer months. Donna plans to take a Nurses' Aid Course later on in the fall. Good luck to you Donna.

Miss Beverley Bush had several friends help her celebrate her birthday on Saturday evening, June 7th. It was a lovely evening for a weiner roast at the Pembina River. Happy birthday Beverley.

Mr. and Mrs. Leo Jansen left last Thursday for Lethbridge to attend the Alberta Elks Association Convention and came home Sunday. Mr. Leo Jensen was elected Inner Guard for the Association. They reported a very nice time.

Ball game schedules have been set up by the Recreation Board of Parkland County and are underway. The Moon Lake Bantams were victorious over Entwistle and Seba Beach, while the Moon Lake Little Canadians lost all three games with Tomahawk, Seba and Entwistle.

WARBURG NEWS

The First Warburg Girl Guide Company and Brownie Pack wish to thank everyone in Warburg and in surrounding communities for supporting them by buying Girl Guide cookies.

As a service project for the community, the First Warburg Girl Guide Company planted wild crocus in the Centennial Park on May 17th. The crocus were planted in the shape of the Guide emblem, the golden trefoil and stones making the initials G.G.C. were placed within the trefoil.

On Saturday, May 31st, the Elks beat the Cubs 26-5.

An exhibition game was played Friday with the Elks winning 14-8 over the Cubs.

On Friday, May 29th, the Warburg Elementary, Central and Junior High had their annual trackmeet. The events were completed in the morning followed by softball games in the afternoon.

Twelve, Phys. Ed. 20 boys went on a camping trip in the Nordegg area under the supervision of Mr. Larry Anderson and Mr. Vernon Zolmer. Mr. Keith Oberle and Mr. George Krieger joined the group Friday night. The boys left Thursday afternoon and camped that night along Elk Creek. They moved to a campsite at Fish Lake for Saturday night. They returned home Sunday afternoon.

Among their activities while there, the boys climbed Baldie Mountain, constructed bridges across a creek and hiked. The boys also cooked their own meals.

Warburg was represented by seven students at the Provincial Semi-finals in Camrose on Saturday, May 31st. Of those, Elaine Mosicki took first in the senior broad jump and third in the 100 yard dash. Randy Lehay took fourth in the senior mile. Elaine will go on to the Provincial Finals in the senior broad jump.

Mr. and Mrs. MartinOelkers of Winfield, B.C. are visiting their daughter, Phyllis McAllister and her husband Neil and family. They will be staying in Alberta for a few weeks.

Elsie Hankins, daughter of Mr. and Mrs. Jim Hankins graducated on Wednesday, May 28th after her completion of her fourth year of Education at the U of A.

She is presently teaching grade 2 in an Edmonton elementary school.

Wendy and Chester Wolfe and family were out from High Prairie to attend Elsie's graduation. they returned home Thursday.

Reuben Sontag was rushed to the Breton Hospital on Saturday morning by his neighbor, Ed Wegner, he was severley burned on his arm and hand due to a gas fire while working on his tractor in the garage.

Mr. Leeson Borager is presently in the Col. Newborn Hospital in Edmonton.

Forty is a good age; women are still interested in you, but the Army isn't.

Auxiliary Meets

The final meeting of the season for the Ladies' Hospital Auxiliary will be held at the Cardium Room on Thursday, June 12th at 6:30 p.m. Dinner will be served, followed by a short business meeting. All members are reminded that they may bring a guest if they so wish.

"To what do you owe your extra-ordinary success as a house-to-house salesman?" asked a friend.

"To the first five words I utter when a woman opens the door," answered the salesman. "Miss, is your mother in?"

NOTICE
ROADSIDE SPRAYING

Roadside spraying for weed and brush control in the county will commence in the latter part of June 1969.

It is the decision of the council that any ratepayer who does not wish to have any spraying done on roadsides adjoining his property, notify the Agricultural Fieldman, by letter, at the county office in Stony Plain.

WILLIAM MOELHOFF,
Agricultural Fieldman,
County of Parkland No. 31.

Let's see. Two in the biplane and another three on the fence posts. That's five fast flyers. All this plus a speeding express train, a racing stagecoach and a hopped-up Hupmobile. What's everybody's hurry? Heaven knows, in Lethbridge we take our own sweet time brewing the beer behind that lively label. Then we age it slowly and naturally. For a flavour that goes over great.

AGRICULTURE'S "OSCAR"

Dr. R.P. Knowles, head of the crops section, Federal Department of Agriculture Research Station in Saskatoon, was the first recipient of agriculture's "Oscar", to be presented annually for the most outstanding contribution to western Canadian farmers in one year. Dr. Knowles was selected by the institutes of agrologists in the prairie provinces, and is shown receiving a $1,000 cheque from Duncan A. Sim, (centre) Chief Executive Officer of Western Co-operative Fertilizers, at the Canadian Forage Crops Symposium in Edmonton. Looking on is Dr. B.P. Goplen, Research Scientist, Canada Department of Agriculture, Saskatoon. The Forage Crops Symposium was jointly sponsored by Western Co-operative Fertilizers Limited and its principals, Alberta Wheat Pool, Saskatchewan Wheat Pool and Federated Co-operatives Limited.

Emmaus Lutheran Church Setting for Spring Wedding

The Emmaus Lutheran Church in Drayton Valley was the scene of an attractive spring wedding when Diana Lynn Bush, daughter of Mrs. Clara Bush of Moon Lake became the bride of John Peter Ulvestad, son of Mr. and Mrs. Ola Ulvestad of Entwistle. Pastor Mohr officiated at the double-ring ceremony, held at 2:30 in the afternoon of Saturday, May 24th. The church was tastefully decorated with apple blossoms.

The bride was preceeded down the aisle by her bridesmaids Lois Berryhill, friend of the bride, Kari and Margaret Ulvestad, sisters of the groom and her matron of honor, Mrs. Peggy Drewes, nee Peggy Bush, sister of the bride. The bride was escorted down by aisle by her brother-in-law Bill Cheney.

The groom's attendants were Alex Ulvestad, brother of the groom, Harold Bigelow and Wayne Bush, friends of the groom Mac Carlson was a very able usher.

The bride was radiant in a classically simple Empire-styled white satin gown overlaid with chiffon highlighted with embroidered flowers. Her wedding gown featured a rounded neckline, scalloped hemline and short, flower-embroidered sleeves. The elegant simplicity was accented with a long train extending from the shoulders. An elbow-length veil surmounted by a white headpiece of flowers and beads framed the bride's dainty face. Her only jewellery was a double strand of pearls. The bridal bouquet was of mauve orchids and white lily-of-the-valley.

The bride's attendants wore full-length gown of mauve. These featured A-line styling with long trains, edged in mauve lace dropping from the shoulders. They carried bouquets of mauve-throated white gladiolas tied with white and mauve ribbons. Each wore earrings of white cameos on mauve backgrounds set in gold, which were gifts of the bride.

For this happy occasion the bride's mother, Mrs. Clara Bush, wore a blue dress with a blue lace over-coat. Her attire was complimented by white accessories and a corsage of deep pink roses.

Mrs. Ulvestad, mother of the groom, was attired in a three-piece pink knitted silk suit adorned with embroidered edges on the jacket and shell. She wore a matching pink hat, brown shoes and carried a brown purse. Her corsage was of deep pink roses.

After the wedding ceremony, a delicious supper was served to approximately one hundred friends and relatives by the Ladies Club of Moon Lake in the Moon Lake Hall. The head table was centered with a round, three-tiered wedding cake decorated with mauve flowers and silver bells. The hall was decorated with mauve and white streamers and bells.

The Master of Ceremonies, Mr. L. Maynard of Edmonton, did a splendid job.

A wedding dance to honor the happy couple was held after the reception with music supplied by Edwin Erickson and his band.

The bride changed for travelling to a white and yellow crepe, two-piece suit featuring a pleated skirt and three-quarter length sleeves on the jacket.

The bride and groom will spend a short honeymoon at Jasper and Banff. Mr. and Mrs. Ulvestad will make their home in Edmonton.

Wedding guests were from Moon Lake, Entwistle, Magnolia, Drayton Valley, Edmonton and Saskatchewan.

C.W.L. Hears Address by Dr. H. Maclure

The C.W.L. met in the hotel dining room on Monday, June 2nd for a delicious supper and meeting. Present were Father Lynch, Dr. and Mrs. Maclure and 33 members and guests.

After a brief business meeting Dr. and Mrs. Maclure talked and showed most interesting slides on their work in Africa.

President Lil Hook gave a brief report on the C.W.L. convention in Edson.

Presentations were made to Father Lynch on the occasion of his tenth anniversary in the priesthood. Also to past president Mrs. Marie Leniuk for a job well done.

The next C.W.L. meeting will be in September.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending June 7th, 1969 provided by the Livestock Division, Canada Department of Agriculture.

RECEIPTS	CATTLE&CALVES	CATTLE	CALVES	HOGS	SHEEP
This Week (est.)	7250	6200	1050	1800	80
Last week	6568	5410	1158	1291	59
Same week 1968	6783	5780	1003	2057	121

SUMMARY: The normal volume of receipts this week consisted of a liberal supply of feeder and stocker classes. Trade was only moderately active to slow on a declining price structure, particularly on slaughter classes.

Slaughter Cattle & Calves - All slaughter classes sold under pressure throughout the week. Steers and heifers opened 50 lower and gradually declined to close $1.50 to 2.00 lower. Top quality steers and heifers were relatively scarce in closing trade. Cows and bulls followed a similar trend with prices fully $1.50 to $2.00 lower, a few good cows topping at 23.60 at the close of the week. As a result of the decline in volume of fed cattle the general quality was lower this week with only 40% of the slaughter cattle considered eligible for the Canada Choice and Canada Good grades.

Despite the light volume of slaughter calves prices were sharply lower. Light veal sold $1.00 to $2.00 lower with the butcher calves showing a decline of $2.00.

Replacements - 75% of the total cattle sales were replacements. Prices on most stocker and feeder cattle declined $1.00 to $1.50 in line with slaughter values. The demand for stock calves continued relatively strong with prices on all classes holding about steady.

Shipments - Last weeks shipments off Edmonton Yards - East 116 for slaughter, 320 for feeding. West - 704 for slaughter, 35 for feeding. To Southern Alberta 1420 for feeding.

Club Members Plan Float

The last meeting of the Lindale 4-H Swine Club was held in the home of Doug Sweet, on May 28th. The roll call for this meeting was World Organizations. There were 13 members present.

The members decided to meet on June 1st at T. Martin's to work on the float. We would like to thank Nils Olson for donating the lumber to make the float.

The club will hold a hard time dance at Lindale Hall on July 11.

Doug Sweet gave a report on Feeds and Minerals. Dennis Martin, the parlimentarian, gave a report on the meeting's faults.

Lawrence Lind took his school bus passengers on a weiner roast to Buck Mountain. After climbing the mountain they proceeded to Mr. Knight's home along the lake shore. There they fed the tame squirrels and viewed his collection of buffalo bones and clam shells which he has dug up around Buck Mountain. He also has many stuffed animals and other things of interest.

BERRYMOOR NEWS

Mrs. Lester Cropley's parents, Mr. and Mrs. Pearson of Calgary, spent a few days at her home last week.

Mr. and Mrs. Gordon Tryon and daughter of Ryley spent the weekend visiting with relatives in Berrymoor, Alsike and Breton. They also attended the Barnett-Levers wedding on Saturday.

Best wishes for many years of happiness are extended to Mr. and Mrs. Bob Barnett (nee Bonnie Levers) who were united in marriage on June 7th. The reception and dance were all held in Breton.

Mr. and Mrs. Jack Thatcher and Mr. and Mrs. Charles Lindahl motored to the mountains on Sunday.

Mr. and Mrs. George Martin were surprised by an unexpected visit from relatives from Ontario on Saturday.

A ball game in Breton on Sunday saw Breton chalk up a victory over Calmar. Both teams are members of the Oilfield League. Mr. and Mrs. Donald Martin took in this game.

Mr. and Mrs. J. Davis and family were away for a few days on a trip to southern Alberta.

We are glad to report that Jerry Roberts has returned home after being in an Edmonton hospital, and hope that he will soon be feeling well again.

The Golden Spur Gymkhana Club held a series of events at their grounds in Lindale on Sunday. We haven't heard who any of the winners were.

George Van Ember was a patient in the Drayton Valley Hospital for a few days.

Mr. and Mrs. Roy Lawson were Banff visitors last week. During their absence, Mrs. Lawson's mother, Mrs. M. Whittaker, kept the home fires burning.

Never trust your wife's judgement.... look who she married.

How Does Your Garden Grow?

By Green Thumbs

Red and black currants make delicious jam and jellies, as well as pies etc., they are very easily grown, and if planted and pruned as a hedge will serve a dual purpose.

Three or four bushes are usually enough for the average house garden. Recommended varieties for black currant, the mildew resistant Willoughby, or for a larger berry the Cross currant (which is thought to be a cross between a black currant and a gooseberry). For red currant, try the Red Lade variety. Some folks like the white grape currant because of its outstanding flavour, it produces a yellowish-white berry.

For those who like gooseberries the two most popular ones seem to be the large berried Green Downing, and the Pixwell variety which turn red when ripe, delicious in pies and for jam making.

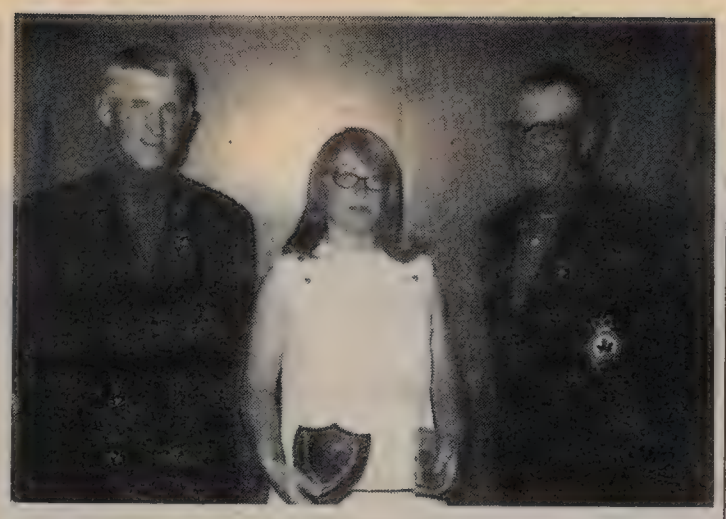
In case you would like to try an apple tree or two in your garden, the Heyer No. 12 is proving to be in demand as well as the yellow Transparent and the Goodland apple. To provide beautiful blossoms in the spring as well as fruit for jellies, the Nanking Cherry is unsurpassed, the fruit usually ripens in late August.

There's nothing like fresh strawberries and cream for dessert on a hot day. Several varieties do well in the area, for an early bearing plant, the Premier starts producing berries in June. A good ever-bearing variety is Ozark Beauty, which usually yields two crops, spring and fall.

There are many ways of growing strawberries, some just plant them in rows, others let them grow in wide patches, and they can even be grown in large barrels with holes spaced irregularly in the sides. Make the holes large enough for one plant, fill the barrel with earth, plant the plants and be sure to keep the soil from drying out, this method is recommended if you haven't much space.

The best results are usually gained if planted in hills about 18" apart. In large gardens they may be grown in matted rows, which allows the runners to root within a certain width, and a rototiller can be used for cultivation. More berries are produced this way, although they may be a little smaller in size.

There is an innoculation spray on the market to help set the fruit on almost any kind of fruit bush and tree, as well as tomatoes, cucumbers etc. It is sprayed on to the blossom when fully open. Your local nursery supply store will likely carry a few kinds in stock, if not it is obtainable from any seed-house.



Donna Haight is shown here receiving the Canadian Legion certificate, medal and cheque for the annual Remembrance Day Essay Contest conducted by the Warburg Branch. Warburg Branch Sports Officers shown in the photo are Arnold Foster (L) and Fred Maxwell.

Annual Awards Night Held at Breton School

Annual awards night was held recently in the Breton School with Principal Mr. W. Wnnyk acting as master of ceremonies.

Mrs. Lyle Oulton of the Breton O.O.R.P. made the first presentations to Lorette Gerwin and Marion Bower. Also on behalf of the O.O.R.P., Mrs. Maude Purdy presented trophies for the best grade eight students to Donna Jackson and Dale Sorensen.

Mr. Mark Hooks, President of the Warburg Legion Branch, No. 205, presented athlete awards to Dianne Haight and Clifford Johnson. Also on behalf of the Legion Branch, Mr. Hooks presented a cheque, certificate and medal to Donna Haight for the annual Legion Remembrance Day Essay Contest.

Achievement trophies went to Doyle Carson and Susan Jackson. The basketball trophy was won by Adam Zouratha.

Mrs. Gwen Smardzic, on behalf of the O.O.R.P., presented pins for Grade eleven achievement for Lynn Martin and Terry Hooks. Industrial Arts trophies were won by Dennis Portas and Doyle Carson.

The Grammar Award Trophy was presented to John Bevan by Mrs. Purdy. For achievement in Home Economics, the Ted Grzyb Trophy was presented to Gloria Van Ember.

Entertainment was provided during the evening by the Breton High School Glee Club and piano selections by Miss Helen Lazuk.

No matter how love sick you may be, don't take the first pill that comes along.

AVOID FROSTRATION!

Defrosting get you down? Why not save time and temper with a new No-Frost Refrigerator-Freezer. No longer do you have to plan a "defrosting day" when the refrigerator is lightly stocked. Instead, you buy when you like . . . forget defrosting for ever!

BUY NO-FROST

The latest No-Frost designs do more than give your kitchen a bright, new look. They're more efficient, more convenient, and offer an unprecedented range of colors and designs. Large capacities and efficiency-planned shelf arrangements let you buy in bulk and save money. Many models make unlimited ice cubes, automatically. See all the new features at the special display of No-Frost Refrigerator Freezers this month!

RAMONA NEWS

Sincere sympathy to Helen and Lee Darragh and the Russel family. Helen's brother Bob Russel was killed in an accident on Highway 16 on the weekend.

Sincere sympathy to Glenna Blatkewicz whose grandmother passed away last week. Glenna attended the funeral on Saturday.

Carrie Kelly was on Popcorn Playhouse on Friday. She went in with her friend Isla Gamblin to celebrate Isla's birthday. Then she stayed the weekend with Isla. We hope you had a very nice weekend girls.

Kelly Davis, Linda Blatkewicz, Marilyn Kos, Boby Kmyta and Allen Stewart went to the Alberta Game Farm with their class on Saturday. They all had a good time.

Mary Blatkewicz attended the Jehovah's Witness convention at Hinton on the weekend. We hope you had a nice trip Mary.

If anyone in the district with girls between the ages of 10 and 15 would like to enroll them in Girl Guides at the Ramona Hall would you please phone Dorothy Blake at 542-2214. If there are enough people interested in having the girls meet at the hall we could start them out here.

We are happy to hear that both Lorraine Sullivan and Stan Beauchamp are out of the hospital and we hope well on the way to recovery.

On June 1st, lightening hit 7 telephone poles that run right in front of Vern Benjamin's house. I guess it hit one pole just north of the house and carried along the wire, but 7 poles are splintered. Pat wants electricity in the house but not that kind.

Bonnie Kelly plans to take a summer job baby sitting or house work. So if you're looking for a girl for the summer, give Bonnie a call at 542-2226. Bonnie is the oldest child of a family of eight, so should have experience.

Jean Stewart and her mother Mrs. Smith drove to Rocky Mountain House on Sunday to visit their niece and cousin, Agnes Sky and her husband Harry. Then drove with them to the Nordegg area to visit Stan Smith. The scenery out there is beautiful and the fishing is very good too.

Faye and Ian Stirton visited in this area on Sunday from Olds. The Stirton's used to live in Drayton Valley where Ian worked for Mobile Oil, he is now with Mobile Oil in Olds.

Happy birthday this week to Marion Kmyta June 13th, Tom Hallet June 15th, Robbie Blake June 17th and Duane Karach June 18th. We hope you all have a happy birthday.

The salesman after gaining entrance to the prospect's home put on his personality act. "My what a lovely home you have," he gushed. "And pray tell me what is in that beautiful vase on the mantel?"

"My husband's ashes," said the young wife.

"Oh, I'm so sorry. How long has he been dead?"

"He's not. Just too lazy to find an ash tray."

We prove our cars the hard way to make them worry-free

We've taken our Datsun 1600s over some of the roughest roads and through the toughest rallies to prove a single point: that Datsun 1600s are more dependable than any other cars in their class.

Just for the record, Datsun has always had a fine reputation for reliability and performance. Datsun won the Canadian Rally Championship in 1967. Datsuns won two classes in the Shell 4000 Rally/68. And this year, Datsun 1600 won the South African Gold Fields Rally. It won team class honours in the rugged East Africa Safari Rally, where a field of 87 cars started and only 31 finished. Datsun 1600s came in 3rd, 5th, 7th, 8th, 11th, and 13th.

Datsun 1600s have real muscle. They're the most powerful imported cars in their class. Their advanced design overhead cam engines turn out 96 hp. They can go 0-60 in 13 seconds and up to 100 mph. And they can go up to 35 miles per gallon.

Mercedes-Benz, BMW and Datsun 1600 have a similar all-independent suspension system for precise handling and perfect control. There's a collapsible steering column, disc brakes, headrests, safety harnesses and padding inside. All standard equipment.

You don't have to race or rally a Datsun 1600 to enjoy it. You can take it easy with an all-synchro 4-on-the-floor or 3-speed automatic and stay cool with a "windows-up" fresh air ventilation system.

Test drive Datsun 1600 soon. There are more than 160 Datsun dealers coast-to-coast in Canada and over $1,000,000 in parts to back it wherever you go.

Recreation Ramblings

By SYD MOORE

The beginning of June brought with it our Supervisory Staff for the summer programs. In addition we have acquired the services of a Youth Rep. from the Department of Youth, Government of Alberta. The sudden expansion of our staff has caused many alterations in the office arrangements. All personnel can be reached by the same number, 777-2211. Mrs. Cross will direct all calls through to the correct person.

Swim, playground and day camps are beginning to take shape, with more than average problems. We expect this however, due to so much of it being new in many areas. We have received excellent co-operation from Edmonton, Devon and Drayton Valley with respect to the use of pools. The swim classes must be held early for a number of reason. Some buses must travel a fair distance and with early swim scheduled this means that the children can be home early, thusly not ruining the whole day for the families. Too, we must accept times in the pools we rent, outside of the local programs, which will be a prime times.

There has been a few questions asked about costs of playground programs. There is no registration costs to the participants. The community club is expected to provide a shelter which can be any existing halls, rink shacks etc., and to work closely with your playground leader concerning needed equipment and supplies. There is, for example, no need for swings, slides and that kind of thing. Work tables are always necessary, some balls, bats and related sports equipment which likely exists in the community and that's all.

INSURANCE CLAIMS

All farmers with valid all-risk crop insurance claims who are completing their harvesting operations this spring should get their claims in as soon as all possible crop has been salvaged.

This message from A.M. Wilson, director of Alberta's Plant Industry Division, applies to farmers who notified the Alberta Crop Insurance Corporation last fall that they were unable to finish harvesting. They were asked to notify the corporation of this situation by November 30th so that adjusters could be sent out to determine how much crop had been taken off.

When a claim is submitted, an adjuster will go out again to measure the spring harvested crop. If the combined total of that removed last fall and that salvaged this spring is lower than the insured value of the crop, the Alberta Hail and Crop Insurance Corporation will pay the difference.

Mr. Wilson stresses that it is the responsibility of the farmer who believes he has a valid claim to inform the corporation.

Mormon Elder Explains Idealism of Church

By Elder John Roberts

Members of the Church of Jesus Christ of Latter - Day Saints are commonly referred to as Mormons. The membership here in Drayton Valley is approximately 90 and throughout the world today there are about 2.8 million members.

The central figure of the Latter - Day Saint Religion is Jesus Christ, after whom the church was named and by whose authority it was established and operates. It is neither "protestant" nor reformed, but claims to be the "restored" church re-established by the Lord in our own time with the same organization, authority, principles and ordinances which he brought to the earth 2,000 years ago.

They feel that after Christ's and his apostles deaths the church fell into a gradual decline from the truth and that the authority to act in the name of the Lord was lost. So in order for the complete truth - the fullness of the gospel - to be on the earth it would of necessity have to be restored. This is the claim of Mormonism - that it has been restored.

They believe that Joseph Smith was a prophet of God and that it was through him that the Lord carried out this restoration. It was through Joseph Smith also that the Lord revealed the "Book of Mormon" to the world - a book that is a record of the Lord's dealings with the early inhabitants of the American continent. This record was revealed to Joseph Smith who translated it by the Power of God. It is not, as many believe, a history of the church, but goes hand in hand, in presenting the truth to the world, with the Bible.

Since it's organization in 1830 the church has been spreading its missionary program. Today there are over 12,000 young men serving as missionaries. They take two years out of their lives at their own expense to give others a chance to hear their message. At present the two missionaries in Drayton Valley are Elder John Roberts, from New Zealand and Elder Keith Shepherd from California.

Mormons believe in God the Father, and his son Jesus Christ and that they are loving personal beings, in whose image man is created, and whose work is to bring to pass the "immortality and eternal life of man:" That men will be punished for their own sins and not for Adams transgressions and that through the atonement of Christ all mankind may be saved by obedience to the the laws of God. They believe in direct, continual revelation from God and have a prophet today who guides and directs the church through revelation.

They believe that man's life upon earth is not accidental - there is a purpose behind it. Life did not begin at birth and does not end with death. They believe that men existed as spirits with God before they came to earth through the miracle of birth and that life here is but a part of an eternal plan.

In the church the family is the basic unit. Mormons feel that "no other success in life can compensate for failure in the home and so great stress is place on family unity and the training of the youth.

This is but a small insight into the concepts and ideals of Mormonism - concepts that help to give them a definite purpose and enjoyment in life.

The use of greenery at Christmas grew out of an ancient Greek and Roman custom. Holly, for example, was a favorite decoration of the Romans, who made lavish use of green boughs and garlands to honor Saturn, their god of agriculture.
